

CASEY'S LAMENT

FaithBasedStudentMusicals.com

LYRICS

Please don't call on me,
though i take this very seriously.
I couldn't make my answers stick,
my mind is on the draft pick.
The Braves are gonna be the champ, (Your team)
I followed them since training camp.
I'm focused on the theories
about the world series.
I also love the Oakland A's.
Go A's!
