VERSE 1-ASHLEY

I'M IN AWE OF A RAINBOW – ITS COLORFUL ARRAY.
I CELEBRATE THE GOLDEN SUN THAT RISES EVERY DAY.
I'M GRATEFUL FOR THE SNOWFALL
IN ITS SILVERY DIAMOND GRAY.
BUT YOU'RE PLAYIN' WITH SOME CRAYONS
THAT YA GOT TO PUT AWAY.

CHORUS-ASHLEY

YOU HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.
YOU HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.
YOU KNOW YOU USE ME AND YOU BRUISE ME
WHEN YOU DO ME LIKE YOU DO.
YOU HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.

VERSE 2-ASHLEY

I APPRECIATE PURPLE. I PICKED IT FOR MY PHONE.
I LOVE A LEMON YELLOW WHEN IT'S TWO SCOOPS ON A CONE.

DUSTY

I TOLERATE THE WAY YOU BLEACHED
YOUR HAIR THAT GREENISH TONE.

Ashley gives disapproving grin.

ASHLEY AND DUSTY (CONT'D)

BUT YOU'RE MESSIN' WITH SOME FINGER PAINT
YOU GOT TO LEAVE ALONE.

CHORUS

YA HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.
YA HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.
YA KNOW I'M SEEING RED CAUSE WHAT YOU SAID -
IT CUTS ME THRU AND THROUGH.
YA HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.

CHORUS

YA HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.
YA HURT MY FEELINGS TILL THEY'RE BLACK AND BLUE.

TAG

YOU KNOW YOU USE ME AND YOU BRUISE ME
WHEN YOU DO ME LIKE YOU DO.

ASHLEY (CONT'D)

YA HURT MY FEELINGS TILL THEY'RE BBBBLACK
BBBLACK, BBBLACK, AND BLUE.

OPTIONAL DIALOGUE SET UP

ASHLEY

I thought Mia was a loyal friend. She just really hurt me.

Dusty "rolls up her sleeves."

DUSTY

Let me take care of her.

ASHLEY

Thanks for having my back Dusty, but, I really need to handle this myself.

DUSTY

Aw, man! You're no fun.

ASHLEY

I think it's best if I start by speaking to her privately.

DUSTY

So I can't even be around to enjoy it? Lemme guess...that's how Christians are supposed to do it?

ASHLEY

I think so, but that's how I would want it - if someone has a problem with me. I want them to talk to me, not everybody else.

DUSTY

So what are you gonna say?

ASHLEY

I don't know yet. I'm trying to think how it would sound...with my heart... and just a little bit of your muscle...

DUSTY

Oooh. I can think of some colorful language!

ASHLEY

Colorful language! That's it.

TRACK CUE: BLACK AND BLUE

From you? Woo! This I gotta hear.
